NIGHT AT THE RACES

2 February 2013

***McGuigan's Bar
Stranorlar***

Here's how it works...

- We will be showing nine films of actual horse races throughout the evening, each with eight numbered horses.
- Place a bet at the tote table on whichever horse you think will win the race.
- You can bet on as many horses as you like, as many times as you like.
- You will be given a ticket for each bet. Hold on to this, you'll need it to claim your winnings.
- When all bets have been placed, the race will be shown and the winner displayed.
- If your horse is the winner, collect your winnings from the tote table.

The PA committee would like to thank
